

## **Organized Session & Panel Discussion Proposals**

The Midwest Economics Association encourages current members and newly joining members to organize a session or sessions for the annual meeting in Evanston, March 27-29, 2020. Each session is one hour and 45 minutes, and includes four presenters, a session chair, and two to four discussants, with a primary discussant assigned for each paper. Panel discussions, in which a moderator and three or more panelists discuss a topic of current interest, is an alternative model that is also welcome.

### **Proposal Deadline: November 15, 2019**

Session participants must pay the MEA membership fee and a conference registration fee by February 28, 2020.

To submit an Organized Session Proposal:

- See the **Organized Session Proposal Form** to inform preparation of the required information.
- Submit the Organized Session Proposal Form on the MEA website by November 15.
- Upon approval, remind participants that MEA membership and conference registration fees are due February 28, 2020.
- Inform the presenters to exchange papers as needed.

Please write to [mea@grinnell.edu](mailto:mea@grinnell.edu) with any questions. Thank you.
